

Compassionate Mentoring

How to Listen Like Jesus and Love

There's not enough help out there.

Research shows 90% of people turn to friends and family for relationship help.

Would you know what to say?

You don't need to be a super-Christian to change a life. This video course provides a flexible, mentee-driven approach to everyday biblical mentoring—complete with workbook, reflection questions, and tools to use again and again.

You'll be prepared to listen, lead, and love well in every opportunity.
