Christmas Family Fun Night

1. Set aside a night for your family to decorate the Christmas tree.
2. Play fun Christmas music. Make peppermint hot cocoa (see recipe) and begin the evening by going through the What God Wants for Christmas nativity—remind your family what you’re celebrating!
3. Once decorating is completed, place the What God Wants for Christmas nativity stable under the tree. Hide the nativity figures throughout the house. Suggested hiding places are on the next page. Read the clues provided and have children find the figures and place in the stable. You may want to go through the story and open the boxes again on Christmas morning.

Merry Christmas!
