WEEKEND TO  
REMEMBER

# GREAT MARRIAGES DON'T JUST HAPPEN

2020-2021 MARRIAGE WEEKEND

WOULDN'T IT BE GREAT IF  
“Happily Ever After”  
WERE REALLY THE END  
OF THE STORY?

Reality is, marriage isn't easy. Even the strongest relationships struggle.

But there's hope.

For over 42 years, FamilyLife has helped more than **1.5 million couples** discover stronger, more fulfilled relationships with a powerful future.

What if you could do the same?

# Time Well Spent.

What if you had tools to

- stick together in tough times,
- help conflict bring you closer, and
- talk about what really matters?

Weekend to Remember helps you do just that.

Our speakers are engaging, experienced, and committed. They encourage and equip you to build a family that cherishes God and makes Him known-- in a robust, resilient relationship.

**96% of past guests say Weekend to Remember had a positive impact on their marriage.**

# DON'T JUST TAKE OUR WORD FOR IT.

I'm blown away with how similar our own problems are with other couples' problems. Sometimes I feel alone in our issues. I feel encouraged to reach out and connect with other couples now.

**MARRIED 5 YEARS**

The conference helped us to recognize walls/barriers that we put up and gave us tools/resources to rebuild each other.

**MARRIED 13 YEARS**

This weekend redirected and enforced a Godly marriage with instruction tailored for every family at every stage. It was extremely helpful to hear how to incorporate parenting into our marriage.

**MARRIED 2 YEARS**

It allowed us uninterrupted time to communicate with each other lovingly and openly. We've been married 26 years and probably have not communicated as much as we have this weekend.

**MARRIED 26 YEARS**

This was monumental and a God given gift. We are in a crisis in our marriage and this has allowed uninterrupted time to focus on us. Time and effort is needed to reap the full benefit of this experience but we're headed in the right direction.

**MARRIED 8 YEARS**

This weekend helped us realize that we aren't alone in our struggles and that God was using them to move us toward oneness. It also made us realize we are gifts from God for each other.
