Remember®**  
by FamilyLife.

**GREAT MARRIAGES  
DON'T JUST HAPPEN**

WOULDN'T IT BE GREAT IF  
“Happily Ever After”

WERE REALLY THE END  
OF THE STORY?

Reality is, marriage isn't easy. Even the strongest relationships struggle.

But there's hope.

For over 43 years, FamilyLife has helped more than **1.5 million couples** discover stronger, more fulfilled relationships with a powerful future.

What if you could do the same?

# Time Well Spent.

What if you had tools to

- stick together in tough times,
- help conflict bring you closer, and
- talk about what really matters?

Weekend to Remember helps you do just that.

Our speakers are engaging, experienced, and committed. They encourage and equip you to build a family that cherishes God and makes Him known-- in a robust, resilient relationship.

96% of past guests say Weekend to Remember had a **positive impact** on their marriage.

# Don't Just Take Our Word For It.

I'm blown away with how similar our own problems are with other couples' problems. Sometimes I feel alone in our issues. I feel encouraged to reach out and connect with other couples now.

**MARRIED 5 YEARS**

The conference helped us to recognize walls/barriers that we put up and gave us tools/resources to rebuild each other.

**MARRIED 13 YEARS**

This weekend redirected and enforced a Godly marriage with instruction tailored for every family at every stage. It was extremely helpful to hear how to incorporate parenting into our marriage.

**MARRIED 2 YEARS**

It allowed us uninterrupted time to communicate with each other lovingly and openly. We've been married 26 years and probably have not communicated as much as we have this weekend.

**MARRIED 26 YEARS**

This was monumental and a God given gift. We are in a crisis in our marriage and this has allowed uninterrupted time to focus on us. Time and effort is needed to reap the full benefit of this experience but we're headed in the right direction.

**MARRIED 8 YEARS**

This weekend helped us realize that we aren't alone in our struggles and that God was using them to move us toward oneness. It also made us realize we are gifts from God for each other.

DAY  
01

FRIDAY 7 PM - 9 PM

## ARE YOU LIVING THE DREAM?

Check in, take a breath. You're here at last. Welcome to the weekend that will change the rest of your life.

It all starts with a laugh. Our hilarious, let's-get-real speakers will show you exactly how to pursue a marriage that really works—through stories of their own breakthroughs and triumphs over defeat. They'll help you understand threats to your marriage and what's standing in the way of more loving, productive communication.

DAY  
02

SATURDAY 9 AM - 4 PM

## HOW THE DREAM COMES CRASHING DOWN

Today's topics help you get closer to the marriage you've always dreamed about, as well as advice on marriage must-haves, handling the sticky parts of marriage (i.e., conflict) in ways that actually work, and ... marriage after dark. There's a strong spiritual element, too, helping you glean principles from the Bible about a great marriage.

DAY  
03

SUNDAY 8 AM - 12:30 PM

## MAKE THE DREAM A REALITY

Take advantage of two of our great breakout sessions at 8 a.m.: one for Blended Families and, at select locations, Marriage in the Military.

General sessions begin at 9 a.m. for men and 10:10 a.m. for women. After, we come back together to take a look at your future. We'll think about the ways your marriage could change your family—and our world—for the better.

Whether you fly or drive, start planning how you'll get away to a better marriage at our life-changing weekend.

A photograph of a young couple embracing outdoors. The woman, on the left, has voluminous dark curly hair and is wearing a light-colored jacket. She is smiling warmly. The man, on the right, has a beard and is wearing a blue denim shirt. He is kissing her on the cheek. The background is a soft-focus landscape with mountains under a bright, hazy sky, suggesting a sunset or sunrise.

## PASTORS

Ministry is always exciting as you see how God is working to provide, change, and lead. However, we understand that the long hours, extra meetings, counseling, and being on call 24/7 for your congregation can put a strain on your relationship with your spouse. That is why we offer registration scholarships for pastors.

Dear friends,

The past few years have certainly brought increased stress, anxiety, and unknowns into our homes and have affected our marriages. We are praying that your Weekend to Remember is more than just a memory; it's a catalyst for your marriage to be stronger than ever.

This weekend is a great chance for meaningful time away together. We hope it makes space, away from the distractions of life, to grow closer and strengthen your relationship with God and your spouse. This weekend can build new layers of a foundation for deeper intimacy and a long-lasting legacy. Not to mention, we'll set the stage for you to have fun together.

Generation after generation,
